ALESSANDRA III

OVERVIEW.

The sleek modern styling and well-planned decks of ALESSANDRA III make her a favourite on the Caribbean and Bahamas charter scene. With expansive indoor and outdoor lounges, bars, opulent bedrooms and a dedicated beach club, all spread across four decks, you'll find that this 47.2m (155ft) Sunseeker yacht offers seemingly endless space – perfect for accommodating large parties and ensuring absolute comfort and privacy for all on board.

Natural light floods the main deck lounge through expansive floor-to-ceiling windows, with drop-down balconies on both sides – the perfect space to sit and catch up with friends over tea or enjoy an evening tete-a-tete, watching the sun dip below the horizon. Social spaces abound throughout ALESSANDRA III, with the main deck aft offering a luxurious outdoor lounge, while the upper deck boasts a large al fresco dining table – so that you can breakfast with a view of your anchorage each morning.

Your full-beam master suite, located in the prime forward position on the main deck, is a haven of tranquillity. Indulge in his-and-her en suites featuring an oval bath and rainfall shower, alongside abundant wardrobe space to accommodate your holiday attire. For your guests, two VIP suites and three convertible cabins (twin or double) offer luxurious accommodation for friends and family.

When you're in the mood for entertaining, the bridge deck lounge beckons. Its relaxed, club-style décor and elegant marble bar are perfectly equipped for hosting unforgettable gatherings. Alternatively, the main deck offers the option to enjoy a glamorous dining experience, where your personal chef can showcase their culinary skills with a bespoke fine-dining menu.

Explore the Caribbean and Bahamas aboard ALESSANDRA III, with an itinerary created for you by the experienced Captain. Explore beautiful, hidden coves and pristine beaches, perfect for a day of relaxation or exhilarating water sports. Discover charming island boutiques or immerse yourself in the region's vibrant culture.

The beach club is on the water level, so you can simply dive in from the hydraulic swim platform after a workout in the gym. The children will love the waterslide, aquapark and trampoline for high energy fun. There are also paddleboards and kayaks to explore the coast – and jetskis and SeaBobs to play with too.

On the top deck you will find sun pads and a sizable jacuzzi for you to relax. As night falls, gather under the stars for an unbeatable cinematic experience complete with a 2.75m (9ft) drop-down projector screen and a dedicated mixologist at the bar making your favourite drinks just the way you like them. The end of another perfect day aboard ALESSANDRA III.
