AK ROYALTY

OVERVIEW.

Double the range and scope of your next yacht charter holiday with the super fast sports yacht, AK ROYALTY. This exceptionally sleek and unique 41-metre (135ft) yacht from the esteemed Palmer Johnson shipyard provides remarkable performance with a cruising speed of 24 knots and top speed of 28. Turning heads wherever she goes thanks to her custom respray, containing real 24kt gold, she really is one of a kind.

Her accommodation is designed to host 10 or 12 guests on board with service from an experienced and permanent crew of seven, who keep AK ROYALTY in immaculate condition. Her layout combines the essence of an open-style sports yacht with superyacht dimensions and features.

The sundeck has a jacuzzi pool, day beds, a lounge and a bar; there's a foredeck lounge with seats and spacious sunpads; the huge main deck aft has another bar plus a dining table, an expansive lounge and more sunbeds astern, where you can watch the dramatic wake as she powers through the sea at more than twice the speed of an average yacht.

With all guest cabins on the lower deck, there's ample space above for an extra-large lounge. The master suite is a full-beam cabin with a king size bed, a sofa, a study desk, two walk-in closets and his-and-hers en suite bathrooms, one of which has a large rain room shower. She also has two queen doubles and two twin-bed cabins with extra pullman berths, so her versatile accommodation will adapt to suit your needs.

When you cruise with AK ROYALTY she'll take you twice as far, twice as fast, with heads turning the whole way.
