AMORE

OVERVIEW.

The 37m (121.1ft) AMORE is an excellent tri-deck 37X Numarine. Built in 2022 and refitted in 2024, she's in pristine condition, ready to welcome guests on board for endless fun under the Caribbean sun.

AMORE accommodates 12 guests across six sumptuous cabins. The full-beam master cabin is located on the main deck and boasts expansive glass windows. Uniquely, there's a bonus full-beam master on the upper deck with direct access out onto the deck. The remaining accommodation can be found on the lower deck in the form of three double cabins and one twin with a pullman. For added flexibility, an additional nanny/multipurpose cabin can be arranged.

Insides by Can Yalman are calm and neutral with blue accents in a nod to the sea. The main deck offers an excellent area for formal dinners, with plenty of wine fridges ensuring you'll always have the perfect pairing. Just aft, the main saloon offers a comfortable seating area with floor-to-ceiling windows for endless ocean views.

Just below, the lower deck cinema room is sure to become a favourite spot for movie nights. With an ice maker and mini fridge, sink into the plush reclining chairs and enjoy blockbuster films with your favourite refreshments.

The outside is equally as impressive as the inside, and perhaps the best views can be had from the sun deck. There's a jacuzzi and bar area surrounded by comfortable seating, while a shaded dining area is serviced by a full-equipped BBQ for delicious expertly prepared meals. Elsewhere, the upper deck aft is the perfect spot for sunrise yoga or to work up a sweat.

The main deck is the heart of AMORE. Aft, there is dining for up to eight guests while forward on the bow there is extra space with lounge pads and a pop-up table – a secluded retreat should you need somewhere to escape. And as if you need any more space, the beach club completes AMORE and offers an excellent area close to the water with air conditioning, a day head and a wet bar.

There's a wide array of watertoys to make the most of your chosen cruising location. Take to the water on the jet skis, Seabobs or paddle boards, or enjoy hours of fun with the family courtesy of the inflatable slide. There's also a fully equipped Scout tender to take you ashore for remote picnics or beach set ups.
