SOPHIA

OVERVIEW.

Without exaggeration, the 96.6m Feadship SOPHIA is quite unmatched in quality, features and the standard of service delivered by a well-established and talented crew; hand-picked and superbly trained by the most discerning owner.

Sensational features such as the large glass-bottomed swimming pool and her breath-taking beach club will surpass outdoor lovers' expectations.

Active charterers will be wowed by the multiple set ups on the games deck and the fabulous indoor gym on the sun deck. Celebrate the sea with all the very latest watertoys, two 10m custom Feadship tenders and a ski boat – there's a tender for every occasion. SOPHIA is completed by the ultimate wellness centre on board which includes a massage room, a large hammam and a spectacular snow room.

Dine without compromise with three gifted and versatile chefs, a wood fired pizza oven, charcoal BBQ and bar on the sun deck, wine cellar and a full beach BBQ set-up. Watch movies in the chic and spacious cinema or sports on the sun deck's outdoor TV screen, then entertain your guests into the night on a baby grand piano – so many options to create a fantastic atmosphere on board.

Retreat to a private owner's deck with fireplace inside and firepit outside, lounge with home cinema and skylight for stargazing. Whilst guests are sumptuously accommodated on the main deck in two VIP suites and four spacious double cabins, with all decks served by the elevator.

Everything about this remarkable yacht is the very best of the very best. If that is what you demand, you have got to have SOPHIA. We can say with confidence that you will never charter a finer yacht.

If it's extended luxury on the water you're seeking, please enquire about the splendid 16m (52.5ft) Wajer 55 tender, NINA, for pricing and availability on your charter.
