

ARKADIA

ARKADIA

APERÇU.

Step aboard ARKADIA for a very special experience. Designed to host up to ten guests in five cabins, this 49.9m (163.9ft) yacht from the elite Heesen shipyard – considered by connoisseurs to be among the finest in the world – is virtually pristine. Beautifully designed and precision engineered, she delivers a winning combination of exhilaration and relaxation with a wide choice of outdoor spaces, flexible luxury accommodation, state-of-the-art technology, world class contemporary style and an amazing array of watersports equipment and toys.

The sun deck is extra-large and cleverly arranged. The forward end is slightly raised to give a great vantage point over the sea, with a large jacuzzi, a bar and ample space for sunbathing. The gym is amidships, behind a glass windbreak with a huge TV, peloton bike, multi gym, yoga gear, punching bag and free weights. On the aft end of the sun deck is the relaxation zone with sumptuous Paola Lenti sofas. The upper aft deck, meanwhile, is an elegant outdoor dining area and lounge.

Designed by the renowned team of Raymond Langton and Dickie Bannenberg, ARKADIA's beautiful contemporary interiors are calming, welcoming, understated and elegant, with a wealth of unique details. The spacious sky lounge and the opulent main lounge strike a fine balance between comfort and sophistication, offering a wide variety of places to gather and socialise or relax and unwind, to suit any mood.

Up forward on the main deck, the full-beam master suite is big, airy and bright with a super-king size bed, sofa, study and vanity desks, his-and-hers dressing areas and a large en suite bathroom. Down on the lower deck, the other four guest cabins are three large doubles and a convertible cabin with Pullman berths, all with big windows and private en suite bathrooms.

Few yachts can match the range and quality of watersports equipment and toys that ARKADIA offers. She's got a large RIB to reach isolated beaches and a Mastercraft ski boat that's ideal for wakeboarding, water skiing, wakesurfing and towing inflatable toys. Jetskis, kiteboards, wingfoil gear, eFoil boards, a Manta 5 Hydrofoiler bike, kayaks and paddleboards are all on board. There's also a sea pool, a floating dock and a spectacular four-storey water slide. The beach club is a spacious haven at the water's edge and fun continues under water with a diving instructor, snorkel and dive gear.
