C

OVERVIEW.

Strikingly elegant and uncompromisingly modern, C is a 54.2-metre Baglietto masterpiece designed by Horacio Bozzo, expertly crafted for families who demand the extraordinary. Built in 2021 and styled with meticulous attention to detail, C is a bold expression of refined Italian engineering paired with sophisticated on board living.

Offering remarkable flexibility, C accommodates up to 12 guests in seven immaculately appointed cabins. Her layout is nothing short of exceptional: two identical, expansive master cabin suites and two VIP suites occupy the main deck, while the lower deck offers a large double, a twin with roll-out beds and Pullman bunks, and a delightful children's playroom that doubles as a bespoke cabin. This unique arrangement ensures that every family dynamic, with every generation of the family taken care of.

The main deck lounge is an architectural triumph, designed to embrace contemporary family life while exuding quiet opulence. Floor-to-ceiling windows flood the space with natural light, and retractable glass doors reveal a private sea-view balcony. Every element from the bespoke Belvedere furnishings to custom Minotti piece has been meticulously curated to create a warm yet formal ambience. The walnut and marble dining table provides an exquisite setting for twelve, transforming meals into memorable occasions. Above, the sky lounge invites guests to unwind in cinema-worthy style with a state-of-the-art projector system and lounge seating that rivals the finest boutique hotels.

Outdoors, C reveals an entertainer's dream. The main deck features a spectacular glass-fronted jacuzzi pool with panoramic views. On the upper deck, two extendable dining tables offer al fresco dining at its most luxurious, while the sun deck boasts a circular lounge area and a second jacuzzi on the aft, perfect for soaking in the sunset or sipping cocktails under the stars.

Yet perhaps C's most impressive feature is her exceptional beach club. Breezy and open via hydraulic platforms unfolding on three sides, it captures the essence of indoor-outdoor living. Stylishly furnished for lazy afternoons at the water's edge, this space also houses a private gym, a serene massage room, and a traditional hammam, able to deliver the full spa experience just steps from the sea.

Naturally, the toy and tender collection on C aligns with its exceptional features, with a 12.5m Novamarine BS120 luxury chase tender, capable of carrying 14 passengers, ready to go on any excursion, large or small. SeaBobs, Sea-Doo jetskis, eFoils, and a floating beach are some of the highlighted toys ideal for a watersports day.

C promises a charter experience that blends warmth, sophistication, and an unmistakable sense of adventure. From her family-first design to her indulgent wellness offerings, this is a yacht that speaks fluently to the modern charterer. She's chic, understated, and unmistakably world-class.
