DEJA TOO

OVERVIEW.

A recent refit undertaken in 2025, and a substantial number of upgrades in 2022, has DEJA TOO looking in impeccable condition, with a very modern and neutral feel throughout. She is an extremely spacious yacht with flexible accommodation and an extensive range of toys, making her perfect for a family charter.

Keeping the family entertained has never been easier than on board DEJA TOO thanks to the numerous amenities offered on board.

With a surprising amount of space on the sun deck, the aft sun pads can be partially shaded by an awning to escape the midday sun. A large table offers deck dining with a view, while a jacuzzi, further extensive sun pads and a forward seating area form the perfect scenic sunbathing spot.

The sky lounge has wide picture windows along three sides allowing for an abundance of natural light during the day and in the evening creates a perfect viewing spot to enjoy while making the most of the bar which can be found here. The sky lounge has an attractive bay window leading onto the bridge deck aft dining area. Here a round table for 12 provides shade for a long, relaxing lunch and guests can retire to a bank of comfortable sofas that curve around the stern.

The superbly spacious master suite on the main deck features oversized porthole windows, a large sitting area, study area, walk-in wardrobe and en suite bathroom. A single cabin is positioned aft of the master suite, with an en suite bathroom and pullman berth, perfect for children or additional staff. In addition to this DEJA TOO offers three spacious double cabins on the lower deck and a new twin cabin, all en suite.
