COME TOGETHER

OVERVIEW.

As the first yacht in a new generation of Espen Øino-designed Amels 60 limited editions superyachts, COME TOGETHER features a range of stunning features, including a large beach club that can be accessed directly from the lower deck guest cabins, a vast 27m sun deck and 7-square-metre fold-down terrace in the owner's suite. With luxurious accommodation for 12 guests, a huge swim platform and an experienced crew of 14 along with with a collection of high octane toys, COME TOGETHER offers the ultimate charter formula.

Custom interiors from London studio Winch Design capture all the comfort of a relaxed family home on the water. In keeping with the name of the yacht, convivial spaces – all flooded with light through the yacht's striking trapezoid windows and connected by a magnificent central staircase – provide the perfect backdrop for any social occasion, whether it's pre-dinner drinks in the sky lounge or a formal meal enjoyed at the main lounge's round table.

Accommodation for 12 is provided in six light-filled cabins, including a vast principal suite with folding 7sqm terrace, a main deck double suite and four additional lower deck cabins with direct access to the beach club with its sauna, ice bath and swim platform. Her 27m sun deck, with its large jacuzzi, raised foredeck sunbathing area, gym equipment, sheltered bar, cinema screen and extendable dining table for 18 guests is a social space that can host the entire complement of guests, while a Portuguese bridge located forward of the wheelhouse provides seclusion, privacy and stunning ocean vistas.

For those who really want to make a splash, the giant 38sqm swim platform, accessed through the beach club or via stairs from the main deck, is the perfect way to access the yacht's extensive collection of toys. Two super stylish tenders are on hand to whisk you ashore or for excursions, while the toy box is full to the brim with all-new, state-of the-art toys, daring you to try everything at least once.

From ship to shore, and so much more, in style. COME TOGETHER TOO extends the on-the-water fun. Be it transfers in total comfort, fishing excursions or exploration of nearby coves or hidden beaches, there's no end to the good times.
