CONSTANCE

CONSTANCE

SPECIFICATION.

Asking price
EUR 12.950.000

Built
1986 (refitted 2026), Feadship, De Vries, The Netherlands

Length
46,4m (152,2ft)

Beam
8,6m (28,2ft)

Draft
3,1m (10,2ft)

Gross tonnage
418

Cruising speed
12 knots

Maximum speed
14 knots

Flag
Cayman Islands

Lying
West Mediterranean

Class
Lloyd's Register (LR) MCA

Exterior designer
De Voogt

Interior designer
Glade Johnson Design

Construction
Hull - Steel, Superstructure - Aluminium, Deck - Teak

Crew
10

Guests
12

Cabins
5 (4 × double, 1 × twin, 2 × additional berths)

Engines
2 × 900hp Caterpillar

Generators
2 × Northern Lights

Propulsion
Twin screw diesel yacht

OVERVIEW.

CONSTANCE is a 46.4m (152.1 ft) classic tri-deck motor yacht with exceptional Dutch pedigree. She was built with a steel hull and aluminium superstructure by Feadship in 1986 and remains a standout example of timeless craftsmanship and design.

Her elegant exterior was designed by De Voogt Naval Architects, while her warm and sophisticated interior was styled by Glade Johnson Design. Finished with classic teak decks and boasting a gross tonnage of 418 GT, CONSTANCE offers a spacious and well-balanced layout across her three decks.

CONSTANCE underwent a comprehensive 18-month refit at Pendennis Shipyard in Falmouth, completed in the summer of 2016. This extensive project included a full technical and structural overhaul, with the complete replacement of her engine room and bridge systems, installation of new engines, gearboxes, generators, and stabilisers. Her boat deck was reinforced to allow the safe operation of her tender cranes. A collision bulkhead was added forward of the new crew cabins and laundry room to support the vessel's upgrade from Category 2 (up to 60 nautical miles from a safe haven) to Category 0 Unrestricted (worldwide) commercial operation. The vessel complies with LY1 standards. Her interior was thoughtfully refurbished, preserving the original woodwork while updating both guest and crew areas to modern standards. Exterior enhancements included a full repaint, replacement of teak decking, and new deck equipment, effectively breathing new life into this classic Feadship.

In 2021, she received a further significant refit focused on exterior restoration and mechanical servicing. This included a full repaint, corrosion treatment, and underwater hull blasting with fresh antifouling, as well as structural repairs to both steel and aluminium. Major systems including shafts, stabilisers, bow thruster, windlass, cranes, and passerelle, were thoroughly serviced, accompanied by a range of interior upgrades and technical improvements.

CONSTANCE recently underwent an extensive four-month refit at Pendennis, valued at approximately EUR 3 million. Centred on her Lloyd's Special Survey, the works included a full rebuild of the main engines, alongside comprehensive system inspections, maintenance, and selected cosmetic upgrades.

Powered by twin Caterpillar Acert C32 diesel engines (900 hp each), CONSTANCE cruises comfortably at 12 knots, with a top speed of 14 knots and a range of 4,500 nautical miles at 10 knots. Quantum zero-speed stabilisers for enhanced comfort at anchor and underway.

She is configured to accommodate up to 12 guests in five well-appointed cabins, offering privacy and comfort throughout. Built to Lloyd's Register classification and fully MCA compliant, CONSTANCE is a fine example of enduring quality, seaworthiness, and timeless appeal.

Key features

Dutch pedigree, built in 1986 by Feadship with a major exterior refit completed in 2021 including full repaint, structural repairs, and full servicing of key systems

Major 18-month rebuild at Pendennis (2016) with new engines, systems, and a full interior and exterior refurbishment

Extensive EUR 3M Lloyd's Special Survey refit completed at Pendennis in 2026

Built to Lloyd's Register classification and MCA compliant

Interior configured to host 12 guests in five cabins

Tenders

1 x 6.25m Williams Dieseljet 625 (2016) + 1 x 5.5m Ribeye YT550 (2019) 1 x 5.5m Ribeye YT550 year 2019 100hp Yamaha outboard
