KOGO

OVERVIEW.

Step aboard KOGO and immerse yourself in a world of refined luxury and tranquillity. Named to reflect 'enlightenment' and 'harmony,' this 71.7m (235.2ft) masterpiece is designed to offer the ultimate balance of relaxation and adventure. Originally delivered by French shipyard Alstom Leroux Naval in 2006, she is fresh from a full refit in 2025.

An extraordinary collaboration between exterior designer Tim Heywood, interior designer Terence Disdale Design, and naval architect Burness Corlett Three Quays, KOGO won the World Superyacht of the Year award in 2007 after her launch.

Picture yourself unwinding in the sun deck's expansive jacuzzi, soaking in panoramic views surrounded by plush sun pads. As the sun sets, retreat to the aft deck for an intimate al fresco dinner, prepared by your private chef and served under the stars. The bridge deck offers yet another inviting social space, where you can sip cocktails at the bar, challenge friends to a game, or settle in for an unforgettable open-air movie night with Dolby surround sound.

Inside, Disdale has designed KOGO's interiors with 'clean modern lines with a Zen influence.' The main saloon is a hub for entertainment and relaxation, seamlessly transforming into a high-tech cinema space. Enjoy a gourmet meal in the formal dining area while taking in breathtaking ocean views through expansive windows.

For those seeking rejuvenation, the dedicated spa area on the lower deck beckons. Start your morning with a workout in the gym, then soothe tired muscles in the steam room or with a tailored massage.

The primary charter guest will enjoy find respite in the opulent master suite – a vast, light-filled sanctuary complete with a private lounge and study area, his-and-hers walk-in wardrobes, and en suite bathroom. Guests will enjoy equal comfort in KOGO's six beautifully appointed cabins – two double cabins on the main deck, and two further double cabins and two twin cabins on the lower deck – ensuring that every moment of rest is as indulgent as the days spent exploring.

With a spacious beach club, an extensive selection of water toys, and a fold-down swim platform, KOGO is built for adventure. Whether you're diving into crystal-clear waters, paddleboarding at sunrise, or hosting an elegant cocktail party on deck, your days on board are yours to design. And, attended to by a crew of 21, every detail is meticulously tailored to your desires. From seamless service to curated experiences, KOGO promises a charter like no other.

Key features

Extensive and full refit completed in 2025

Dedicated spa area including massage and steam room
