EL MIRAR II

OVERVIEW.

EL MIRAR II is an exceptional 33.5m (109.9ft) tri-deck motor yacht, built in 2008 by the renowned Horizon Yachts. She has been meticulously maintained by her current owner and is presented in pristine condition. In 2018, the yacht underwent a comprehensive mechanical overhaul, along with a cosmetic refresh and a newly repainted engine room, ensuring she remains in superb form.

As the sole tri-deck yacht in Horizon's Premier 105 series, EL MIRAR II provides unparalleled comfort across three expansive decks. The layout is thoughtfully designed for both relaxation and entertainment, offering ample space for guests to enjoy.

The yacht accommodates up to eight guests in four beautifully appointed cabins, including a full-beam master suite, a VIP cabin with a king-sized bed, a double cabin, and a twin cabin, each with its own en suite bathroom. The bright and welcoming interior is bathed in natural light, thanks to large windows, and features polished cherry wood finishes and luxurious furnishings, creating an inviting and refined atmosphere. The open-plan design of the main deck seamlessly flows from the spacious lounge to the dining area and a country-style galley, perfect for private use or hosting charter guests. The bridge deck also includes a cozy open-plan sky lounge with a comfortable sofa and dining area, offering direct access to the exterior deck.

The aft main deck also features a generously sized covered dining area and bar, with a staircase leading down to the stern. On the bridge deck, you'll find a seating area with panoramic views, plus a crane for launching jet skis. Midway along the bridge deck is a barbecue, bar, and a comfortable lounge space for guests to relax.

One of the yacht's standout features is its sundeck, which boasts a helm station offering unobstructed views on both sides, as well as a shaded Jacuzzi with breathtaking 360-degree ocean views. At the aft, a half-moon seating arrangement creates the perfect spot for socializing and enjoying the surroundings.

EL MIRAR II cruises at a comfortable 12 knots, reaching a top speed of 17 knots, and offers an impressive cruising range of 800nm. With a shallow draft of just 2.3m (7.5ft), she is perfectly suited for island hopping and exploring destinations like the Bahamas.

Key features

- **Built in 2008 with major refit completed in 2018**
- **Interior configured to host eight guests in four cabins**
- **Large, open country kitchen**
- **Full-beam master cabin with his and her en suite**
