
KOKOMO

OVERVIEW.

If you've never been sailing, you have yet to discover the exhilaration and excitement of surging through the waves powered only by nature. If you have been sailing, then the multi award-winning KOKOMO is as good as it gets.

This yacht has many stand-out features. There's the flybridge lounge with amazing views at anchor, sipping a cocktail at sunset, and where you can feel the wind in your hair as you glide along under sail. It's completely line-free so entirely family friendly, and there is a bank of sunpads aft for soaking up the sun.

There's the lifting keel that almost halves her draft, from 8.1m to 4.9m for high performance while sailing but you still have access to those secluded shallow lagoons and smaller ports inaccessible by other yachts.

Another feature of this yacht is that the panoramic windows around the aft deck dining table and lounge can lower, so it can be a climate-controlled area with the windows raised, shielded from the breeze, and al fresco when down. Also, and something of a rarity on a sailing yacht, there's a jacuzzi on the foredeck, just forward of the deck hatches beneath which two 6.1m Hamilton custom jet tenders are stowed.

Guests can walk aft past the aft deck sun lounge to the transom, which folds down to reveal steps and a large swim platform for easy access to the water. Once on the water guests can enjoy plenty of tow toys, two sailing dinghies, kayaks and plenty more.

From the aft lounge and dining area, sliding doors open into the spacious main saloon with a sit-up bar, formal dining area and lounge, from where you can enjoy the custom artworks or the views through huge picture windows.

Steps lead down from the saloon to guest accommodation for 10 in five cabins. The full-beam master suite aft has a his and hers bathroom with bath and shower, and two sumptuous double cabins and two twin cabins complete her family friendly accommodation.

Perfect to sail away on an unforgettable family cruise, KOKOMO delivers supersailing at its best.
