EXCELLENCE

OVERVIEW.

With her striking reversed bow and expansive glass superstructure, the 80m (262.5ft) EXCELLENCE stands as a testament to visionary design and meticulous craftsmanship. As the sixth yacht to bear her name, she represents the culmination of her owner's extensive experience in yacht building. Collaborating closely with Winch Design and the renowned Abeking & Rasmussen shipyard, the owner's vision, passion and expertise are evident in every detail of this groundbreaking build. The result? An award-winning superyacht with a wealth of unique and radical features.

EXCELLENCE's intelligently designed 2,115GT interior offers an unparalleled sense of space and light. The triple-height glass atrium and the full-height windows flood the interior with natural light, seamlessly connecting guests with the surrounding seascape.

Winch Design's interior styling softens the generously sized guest areas, decorated with a blend of sophisticated mid-tones accented by subtle splashes of bright colour. A variety of woods, including birds eye maple, blue ombre, sycamore, burr and limed oak, harmonises beautifully with fine Italian leathers and a selection of marble shades in the fixed furniture. Light-coloured soft furnishings and upholstery provide the perfect finishing touch.

The entire upper deck is dedicated to the owner's private domain, encompassing a luxurious master suite and lounge, a private aft deck with jacuzzi and sun lounging area and a forward terrace. Above the owner's deck is the substantial sun deck with lounge area and another jacuzzi. A large pool is located on the main deck, complemented by a swim-up bar. The main deck also houses the guest accommodation, comprising six double cabins, a lounge and dining area, a dedicated cinema room, spa, sauna and a well-equipped gym. From here, steps lead down to the expansive beach club with an inviting terrace area and wide, comfortable bathing steps, providing easy access to the plethora of water toys stored in the garage, which has been fitted out with a bar and seating area, creating a further social hub for guests as they enjoy the wide variety of water activities available.

Key features

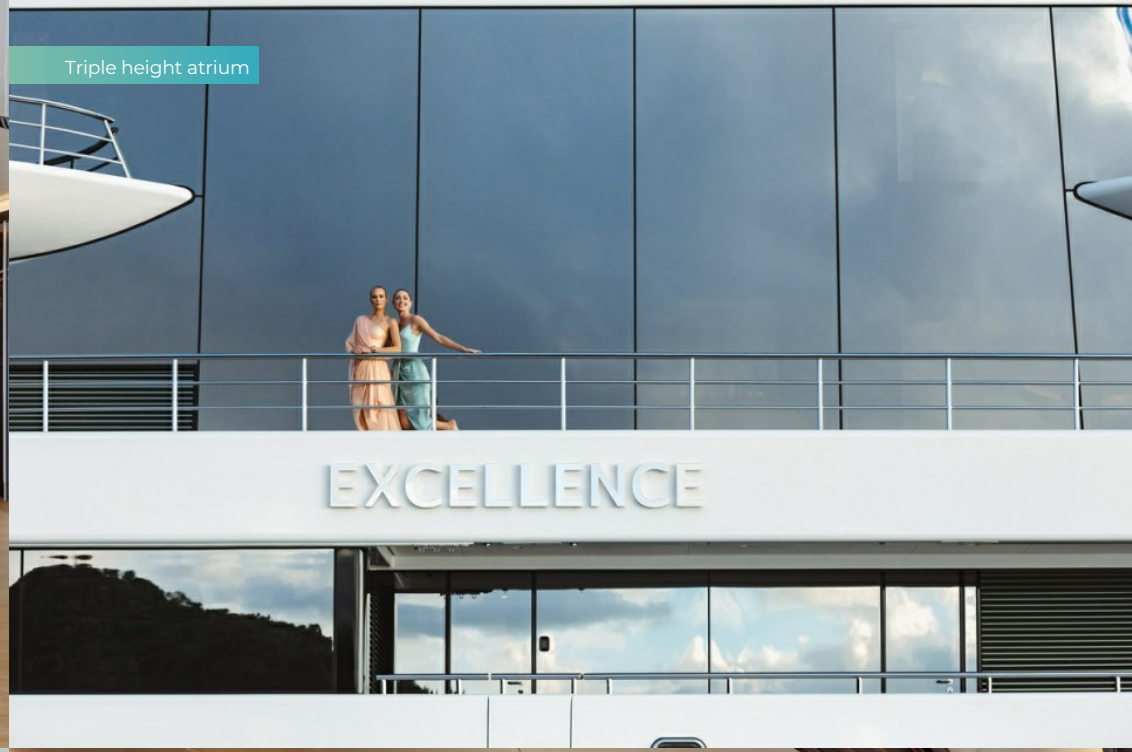

- **Unique triple-height glass atrium**
- **Tiered cinema**
- **Dedicated gym**
- **Wellness spa**
- **Beach club with sea terrace**
- **Two exquisite limo tenders by Hodgdon**
- **Elevator**
- **Large pool on main deck aft and two jacuzzis**
- **Private owner's deck**
- **Zero speed stabilisers to reduce any rolling motion while at anchor**

SPECIFICATION.

Length
80m (262,4ft)

Built
2019, Abeking & Rasmussen, Germany

Interior designer
Winch Design

Beam
14,5m (47,6ft)

Draft
3,5m (11,5ft)

Gross tonnage
2.115

Cruising speed
13 knots

Maximum speed
16,8 knots

Fuel consumption at cruising speed
550 litres per hour

Engines
2 × 2.000hp MTU

Generators
3 × MTU

Guests
12

No. of guest cabins
7 (7 × double)

Crew
22

Note
Not available for charter to US residents while in US waters.
