OVERVIEW.

Delivered in 2024, FAMILY SPIRIT is a 29.9m (98.1ft) Sunseeker 100 Yacht that perfectly balances contemporary styling, impressive volume, and exhilarating performance. Built to an exceptional specification and maintained in outstanding condition.

Her exterior spaces have been thoughtfully designed to maximise enjoyment on the water. A generous beach club area is complemented by a hydraulic swim platform and a spacious tender garage capable of accommodating a Williams Jet Tender and personal watercraft. Forward, guests can relax on the expansive bow sun lounge, while the owner's private foredeck terrace provides a secluded retreat for morning coffee or sunset cocktails.

The impressive flybridge is a true highlight, offering an exceptional setting for entertaining. Guests can enjoy a fully equipped custom bar, al fresco dining for up to 12, and large sunbathing areas surrounded by glass balustrades, creating uninterrupted views and a sophisticated atmosphere.

Inside, floor-to-ceiling windows flood the main saloon with natural light, enhancing the sense of space and connection to the sea. The elegant interior features luxurious furnishings, refined finishes, and a formal dining area accommodating up to 12 guests. A professionally equipped galley is positioned forward with direct access to the side decks, while separate crew quarters comfortably accommodate up to five crew members.

FAMILY SPIRIT accommodates up to 10 guests in five beautifully appointed cabins, centred around a full-beam master suite on the main deck. The owner's suite features generous wardrobe space, a vanity area, an elegant en suite bathroom, and direct access to a private foredeck terrace, creating an exceptional level of privacy normally found on much larger yachts.

The lower deck hosts four further en suite guest cabins, offering a versatile arrangement suitable for both family cruising and charter operations.

Designed for effortless cruising, FAMILY SPIRIT benefits from advanced stabilisation systems operating both underway and at anchor, significantly reducing roll motion and ensuring exceptional comfort in a wide range of sea conditions.

Elegant, versatile, and immaculately presented, FAMILY SPIRIT represents one of the finest opportunities currently available in the Sunseeker 100 Yacht market.
