OVERVIEW.

MAGIC is a 44.3m (145.3ft) pedigree sailing yacht designed and built by renowned Dutch shipyard Vitters to Lloyd's classification.

A sporty exterior with dynamic lines comes courtesy of Reichel Pugh Design, paired with a spacious 308GT of interiors designed by Design Unlimited/Pieter Laureys. The covered main cockpit allows for all-weather al fresco dining and lounging, with further deck space aft. The transom hatch also opens to double as a generous beach club.

On the main deck, the lounge has comfortable U-shaped seating opposite a formal dining table to port. Blending inside and out, expansive glass doors aft open out to the recessed aft cockpit. Furnished with the best of everything, a warm colour palette perfectly pairs with modern furnishings.

MAGIC hosts 10 guests across five cabins, with a spacious full beam owner's suite located in the stern complete with an en suite bathroom, his-and-hers walk-in wardrobes, and an office. Two additional guest cabins are situated aft of the engine room, with one guest and one children's bunk cabin positioned forward of the engine room.

MAGIC is a single-screw diesel yacht with a cruising speed of 9 knots, a top speed of 12 knots, and a range of 3,000 nautical miles.

Key features

- **Unique 44.3m fast cruising sloop**
- **Excellent Dutch pedigree**
- **Five cabins with spacious owner's suite located in the stern**
- **Comfortable voluminous interior**
- **Overhead glazing and retractable glass doors enhance the connection between interiors and exteriors**
- **Transom hatch opens to double as a generous beach club**
- **Submarine anchor system ensures a clean and functional bow and foredeck**
- **Features Vitters Shipyard's innovations like retractable V-Bollars for sleek deck aesthetics**
