

GALAXY

GALAXY APERÇU.

Launch yourself on an exceptional yacht charter aboard GALAXY, a yacht that stands apart from traditional yachts with her magnificent and opulent design. Part of a highly desirable Benetti series with a spacious, versatile layout, she boasts a range of beneficial features including expansive deck spaces and an elevator serving all decks.

An award winner in the refit category at the International Yacht & Aviation Awards 2023. GALAXY's interiors use a kaleidoscope of colours, textures, and avant-garde design elements that create a truly unique atmosphere throughout. The main deck lounge is candidly enchanting, with carefully considered design features and deep-coloured furnishings and plush sofa seating. In contrast, the bridge deck is designed for relaxation. A piano sits opposite the lounge area, and the formal dining area features a circular table seating 12 guests with floor-to-ceiling curved glass doors providing breathtaking views.

GALAXY accommodates 12 guests across six serene cabins. The master suite is the most impressive with unique furnishings, two large his and hers en suite bathrooms and a forward lounge with panoramic windows. The remaining accommodation is in the form of a double VIP suite on the bridge deck, and three double suites and a twin-berth cabin on the lower deck.

The sun deck is the place for relaxation and entertainment while enjoying your chosen cruising location. There are four double sun loungers aft, an al fresco dining area, and a central gym enclosed by floor-to-ceiling windows. Forward of the gym, an al fresco lounge merges with the raised jacuzzi. To get out on the water, GALAXY boasts a full toy box with jetskis, SeaBobs, electric surfboards and kayaks, to name but a few. Plus, there's a 7.5m (24.6ft) X-Craft Custom tender to whisk you ashore.

GALAXY is undoubtedly one of the finest examples from her series available today.
