GIGIA

OVERVIEW.

GIGIA combines the talent and experience of two brands iconic in superyachting: Lürssen shipyard and Winch Design. With sweeping exterior lines, an exquisitely crafted interior in the American classic style, she delivers luxury yachting on the grandest of scales.

From her generous bathing platform with hydraulic sea steps and lounging areas either side, through to her beach club and magnificent spa area, the yacht impresses from the moment you step on board. Her layout has been extremely well considered throughout, with spacious guest areas and deck spaces that flow together seamlessly.

Fitness and wellness feature strongly on board GIGIA, with a well-equipped gym, multipool spa, steam room, sauna, plunge pool, dedicated massage/treatment room and hair salon.

Careful consideration has also been given to privacy, with an entire deck, with lounge, dining, terrace and private jacuzzi, that can be reserved for the owner's sole use. The owner's suite offers panoramic views forward, as well as a study, his and hers bathrooms, walk in wardrobe, dressing room and its own private terrace.

Guests will enjoy the utmost luxury throughout, accommodated in nine staterooms across the owner's suite, two VIP double suites and six further double/twin suites.
