NENINKA

OVERVIEW.

NENINKA is a unique, evolution of the Amels 212, offering guests the rare chance to experience a one off yacht crafted with exceptional attention to detail. Her Tim Heywood exterior blends timeless lines with a commanding presence, while Winch Design's calm, sophisticated interiors create a beautifully balanced atmosphere throughout.

Designed for effortless living, NENINKA features vast interior volumes with multiple lounges, a gym, spa facilities, and an elevator connecting all decks. Her seven cabins accommodate 12 guests in complete comfort, including a magnificent main deck forward owner's suite with his and hers en suites and dressing rooms, two bridge deck VIPs with sliding doors onto the exterior, and four double cabins on the lower deck.

Outdoor life is equally impressive: a sun deck with jacuzzi, BBQ, and dining area; bridge dining area and generous bow seating; and inviting main deck lounging spaces. Her standout feature is the lower deck beach club, where the transom opens to create a serene waterside retreat perfect for relaxation and easy access to the sea.
