INCAL

APERÇU.

Welcome aboard INCAL, a stunning 44.8m (147ft) yacht with classic grandeur and modern refinement. With a beautiful balance of rich wood panelling and light contemporary furnishings, she provides an inviting and sophisticated setting for an unforgettable charter.

The main deck has a wonderful sense of space and elegance. Floor-to-ceiling reeded columns accentuate INCAL's palatial feel, while the lounge's deep, plush sofas invite relaxed conversation. A rise-up TV provides entertainment when desired, and the adjoining dining area offers a formal yet welcoming space to enjoy amazing meals. A bar is close by, ensuring instant service.

The master suite is an opulent retreat accessed via a private office. Columns frame side tables, enhancing the suite's grandeur. Balconies on both sides allow for uninterrupted views and a refreshing sea breeze, creating a serene and spacious atmosphere.

On the lower deck, the full-beam VIP suite offers a private lounge, walk-in wardrobe, and en suite bathroom, delivering a level of comfort suited to your most important guests. Two twin-berth cabins and two double cabins, all with en suite bathrooms, provide luxurious accommodation for more family and friends.

The sky lounge on the upper deck is a cosy yet elegant retreat, sharing the same refined styling as the main lounge. Here, a games table provides entertainment, while a fold-down cinema screen transforms the space into a private theatre for movie nights. Outside on the aft deck, a formal al fresco dining area and corner seating are perfect for evening gatherings.

The sun deck is designed for relaxed outdoor living, with a spacious central sunpad, a well-stocked bar, and a BBQ for effortless al fresco dining. Whether enjoying a quiet morning coffee or a sunset cocktail, this space offers the ideal setting to soak in your surroundings.

For those who like to stay active, INCAL's upper deck is home to a gym with an exercise bike, treadmill, and Technogym weight machine. On the main deck, a fold-down transom creates an expansive swim platform, perfect for enjoying the yacht's impressive selection of watersports equipment. From SeaBobs and kayaks to wakeboards and towable inflatables, there's something for every guest to enjoy on the water.

With a highly professional crew ensuring every detail is taken care of, a charter on INCAL offers a combination of relaxation, refined living and on-water fun.
