O'PTASIA

OVERVIEW.

O'PTASIA is the perfect match for the discerning modern charterer looking for entertainment, activities and flexibility in accommodation. Built in 2018 by Golden Yachts, this award-winning private charter opportunity offers an abundance of wellness amenities, a vast choice of outdoor lounging and dining options, and a world-class inventory of watertoys.

Every moment on board is designed for indulgence. Wake to panoramic views from the master suite and head down to the 'beach house' at the water's edge for fresh juice, a massage, or a relaxing steam. Head to the fully equipped gym or take a dip in the bridge deck pool before gathering with family for breakfast or BBQ lunch prepared by her outstanding crew.

Afternoons bring adventure, with a garage full of watertoys including jetskis, wakeboards, SeaBobs, and inflatables for you and your guests to find fun on the water. A hydraulic swim ladder makes access easy, while those looking for quiet time can retreat to the sky lounge cinema or relax on deck with a book, podcast or music and enjoy uninterrupted views of the anchorage.

Afternoon tea is served on main deck aft, with its comfortable sofas easily fitting everyone in to share tales of the day so far. Then, as the sun begins to set, O'PTASIA truly comes alive. Sip cocktails at the beach club bar or enjoy a gourmet al fresco dinner on the upper deck before settling in for a starlit film screening on the sun deck, complete with blankets for a truly magical experience.

O'PTASIA offers 10 versatile guest cabins for up to 12 guests, including a breathtaking master suite with private office and walk-in wardrobe, and a full-beam VIP with its own cinema. Eight further doubles and twins ensure space and privacy for every guest, all enhanced by floor-to-ceiling windows that frame extraordinary views. With interiors styled in warm, contemporary tones accented by modern art, the atmosphere is both elegant and welcoming.

With her award-winning design, dedicated crew, and flawless balance of wellness, entertainment, and luxury, O'PTASIA is one of the most exciting superyachts available for charter today.
