APERÇU.

LADY MARINA is a 64m (209.8ft) custom-built motor yacht delivered by Feadship De Vries in 1999 and refitted in 2020, with classic interior by Donald Starkey and timeless exterior by Studio De Voogt. Designed and engineered for world cruising, LADY MARINA combines proven ocean-going capability with substantial interior volume and guest amenities.

She accommodates up to 13 guests in seven cabins, with a full beam owner's suite on the main deck, complete with a private office, gym, steam room, sauna and massage room. Two additional cabins also accommodate up to three persons, ideal for staff or occasional guest use.

The upper deck features an aft sky lounge and a forward observation lounge, opening onto a private terrace with a jacuzzi. The sun deck includes an exterior dining area and a helipad for private use, together with a second oversized jacuzzi with sunpads. An elevator services all decks.

With a transoceanic range, LADY MARINA is well suited to extended cruising programmes and global exploration. Combined with pedigree Feadship build quality and a generous layout, LADY MARINA presents a fantastic purchase opportunity.

Principales caractéristiques
