LIND

OVERVIEW.

It is easy to see why LIND is such a popular choice for family holidays. Her guests love the sun deck, where you can soak in the sun in the large jacuzzi, stretch out on the sunpads to work on your tan, work out on the exercise equipment, enjoy a sundowner at the fully equipped bar or just relax with a good book on the aft deck loungers. After dark it's back to the sun deck to watch movies under the stars.

There are many outside spaces with something to suit every mood. The Portuguese bridge is where you can feel the wind in your hair underway, there are lounges on the main deck aft and bridge decks aft, where there is also al fresco dining. You'll find Apple TVs throughout for streaming.

Inside comfort is key. There's a big screen in the sky lounge where the whole family can get together to catch up on boxsets or play games. In the main deck lounge there is a formal dining area forward and another comfortable lounge where guests can relax after dinner.

She welcomes up to 11 guests in five cabins with an additional pullman berth. The full beam master suite is on the main deck with a private office, lounge area, walk in wardrobe and bathroom with jacuzzi and shower. On the lower deck, three double cabins and one twin cabin complete her accommodation.

Choose LIND and make some lifelong memories with your family.
