MISTRESS

APERÇU.

Fresh from a major 2024 refit, MISTRESS is a 46-metre Benetti superyacht that masterfully blends timeless design with modern refinement. Originally built in 1991 and styled by Stefano Natucci, she has been transformed into a sophisticated sanctuary at sea, ideal for discerning owners and guests seeking comfort, elegance, and versatility.

The yacht's interior, curated by Zuretti with Versace accents, offers an atmosphere of classic opulence. Rich woods, golden hues, and bespoke furnishings evoke a refined yet inviting ambiance. Her 2024 upgrades include a full repaint of the hull and substantial coating of the superstructure, modernised systems, and updated amenities that bring her up to today's luxury standards.

Accommodating up to 10 guests in six en suite cabins, including a generous master suite on the main deck. The master suite features two rare 'Porte Gold' marble bathrooms – one with a large bath, toilet and bidet, and the other with a separate shower and toilet. Crew are comfortably accommodated in five en suite cabins for up to 10, including a private Captain's quarter located adjacent to the bridge deck wheelhouse.

Expansive deck spaces across three levels offer al fresco dining, sunbathing, and leisure zones – with the sun deck featuring a jacuzzi, wraparound seating, and a full-service bar with matching parasols.

From the glamorous sky lounge and formal dining area to her private gym and sauna, MISTRESS provides a seamless fusion of Italian craftsmanship, comfort, and performance. The gym includes a separate toilet and shower. Day heads are also available on both the main and bridge decks.

Port and starboard foldaway hydraulic cranes are fitted on the aft bridge deck for tender and jetski stowage, and the vessel is equipped with port, starboard, and stern hydraulic boarding passerelles.

With a range of up to 3,000nm at 12 knots, she's ready for long-range exploration.
