OVERVIEW.

Designed by renowned naval architect Stefano Righini, VIRTUE was constructed in GRP by the esteemed Italian shipyard Benetti to RINA classification standards and delivered in 2008. Her sophisticated interior, conceived by acclaimed designer François Zuretti, accommodates up to 12 guests across five well-appointed cabins: a full-beam master suite, a VIP suite, one double cabin, and two twin cabins, each complemented by a pullman berth. All guest accommodations are equipped with state-of-the-art entertainment systems and complimented by luxurious en suite facilities. Crew quarters for up to seven are also provided on board, ensuring exceptional service and comfort for all guests.

The main deck lounge exudes timeless elegance, furnished with plush sofas, armchairs, gold-accented curtains, and decorative mirror inserts. Forward of the lounge lies an intimate dining area, centered around a formal dining table that seats ten. A full-service wet bar and integrated entertainment system—featuring an LED television and state of the art sound system—are situated between the main deck lounge and dining area, creating a refined space for socialising and relaxation.

Outdoor living is equally impressive. The aft deck is configured for al fresco dining and entertainment, featuring built-in bench seating, a dining table, and chairs. The expansive sundeck offers panoramic views and is equipped with a jacuzzi, gym equipment, sun pads, and a bimini top aft for shade and comfort.

VIRTUE's exterior and interior spaces reflect the meticulous attention to detail and refined taste of her experienced owners. Maintained in immaculate condition, VIRTUE is sure to impress on the grandest of scales, and will leave a lasting impression on even the most discerning of guests.

Powered by twin 2,000hp MTU diesel engines, VIRTUE achieves a cruising speed of 13.5 knots and a maximum speed of 15 knots. VIRTUE boasts a transoceanic range of 2,200nm allowing for limitless cruising capabilities. For enhanced stability and guest comfort both underway and at anchor, she is fitted with Naiad zero-speed stabilisers.

Key features

- **Popular example of Benetti Classic 120 model**
- **Naiad zero speed stabilisers**
- **Very large volume full displacement yacht**
- **Accommodation for up to 12 guests in five cabins**
