XWAVE

OVERVIEW.

Step aboard XWAVE, the newest of Benetti's B.Now 50 series, delivered in autumn 2025 and setting a new standard for life at sea.

From the moment you step on board, you feel the owner's vision brought to life – a yacht that dissolves the line between inside and out. RWD's contemporary design immerses you in your surroundings: sunlight streaming through vast windows, sea breezes flowing through open lounges, and every detail drawing you closer to the ocean. A neutral colour palette is accented with pops of orange and blue that create a harmonious flow throughout XWAVE, while standout features add interest, from the bespoke Lasvit glass feature wall in the sky lounge to the Bocci lighting glass chandelier feature in the stairwell.

XWAVE welcomes 10 guests across five beautifully appointed cabins. The full-beam master is your private sanctuary, complete with its own balcony and outdoor shower, plus larger windows than any other B.Now 50 yacht – a rare privilege that lets you be entirely at one with the sea. The four guest cabins each feature golden spider marble en suites, with two doubles and two convertible twins offering flexibility for families and friends, ensuring everyone feels perfectly at home.

Life on board naturally gravitates towards the signature Oasis deck – the beating heart of XWAVE. Picture yourself stretched out by the waterside pool, watching the fold-out wings transform the space into an oceanfront terrace. As the day winds down, this is the place for cocktails at sunset and unforgettable gatherings.

The sun deck offers 100sqm of pure freedom – a space for sunrise yoga, leisurely afternoons in the jacuzzi, or glamorous celebrations under the stars. Every deck has been designed to flow seamlessly, giving you the freedom to create your own rhythm: from lively watersports sessions to quiet family dinners.

Adventure is at your fingertips with XWAVE's toybox – from a sleek 11m Wajer 38 S chase boat to SeaDoos, eFoils, kiteboard and towables. Glide across glassy seas, dive beneath the surface, or carve through the waves at speed – the choice is yours. And for those who love to keep active, the fully equipped gym awaits, while zero speed stabilisers ensure comfort even at anchor.

Whether it's family fun, time with friends, or simply a chance to reconnect with the sea, XWAVE promises an experience that is as immersive as it is unforgettable.
