OLYMPUS

OVERVIEW.

The stunning Winch-designed Feadship OLYMPUS offers something just a little bit different to delight discerning clients.

She has a great many crowd-pleasing features, with six beautiful guest cabins and two additional staff cabins. The sun deck jacuzzi and sit-up wet bar for refreshment by day, by night the jacuzzi can be covered and turns into a lounger for movie nights on the TV screen behind the bar. There is a day head on every deck, elevator serving all four guest decks, making her very well suited to multigenerational groups.

Where this yacht differs from almost all others, is in the versatility of its accommodation. She is very well suited to parties with two principals because she has two full-beam, master-standard suites. On the main deck is the full beam master with a 'US Caesar' bed and a vast en suite bathroom, walk-in closet and its own private 180-degree observation salon where you can enjoy your morning coffee as you look forward to the day ahead or watch one of the two televisions in the relaxing environment.

On the bridge deck is a full-beam VIP suite with wonderful views through picture windows from its elevated position, piano and desk area. Should you wish, this can be more of an owner's deck set-up as it can have its own spacious lounge and terrace aft. The terrace provides table dining for 10 with a spacious lounging area.

On the lower deck there are two double cabins with baths and showers, two twin cabins with showers, highly versatile accommodation to suit all parties.

The interior is a wonderful example of Feadship's beautifully crafted finish. Artworks throughout by Matisse and Picasso provide an elegant feel in all areas. Both lounges provide a modern apple & now TV entertainment system, unlimited movie collection and variety of streaming services. The brand-new system provides highspeed connection through star link, VSAT satellite and cellular, all cabins have apple TV and a full media system.

OLYMPUS is spoilt for tenders. The crown jewel is a 12m (41ft) Mil-spec Safe Boat chase tender, with 3x 300hp Yamaha outboard engines, in addition to the two tenders on deck; an original classic 7m guests tender built by Feadship, and thirdly a 7 meter jet drive multi tender for watersports, diving and support work. In addition, two wave runners jetskis, two SeaBobs and six stand up paddleboards feature in the toy collection.
