RENAISSANCE

OVERVIEW.

With the introduction of RENAISSANCE to our expansive fleet, Burgess redefines the benchmark for luxury yacht charters. This brand-new 112m yacht is a haven of leisure and tranquillity, designed from the ground up to accommodate an unprecedented 36 guests on a scale never seen before. From her expansive three-sided open beach club, seamlessly connecting guests to the ocean, to her unparalleled spa, an entire deck devoted to fitness, wellness and pampering, RENAISSANCE elevates the already extraordinary to new heights.

Whether arriving by helicopter on the foredeck helipad or by sea aboard a fleet of custom tenders, guests will immediately recognise their arrival at something truly special. The uniquely flexible accommodation includes doubles, twins and convertible suites, effortlessly accommodating groups of all sizes. An elevator serving all decks makes RENAISSANCE the perfect choice – and indeed the only choice – for large, multi-generational gatherings.

For celebrations and special occasions, no yacht compares to RENAISSANCE. Five decks offer open-air dining options, complemented by a spectacular double-height dining room on the main deck, adding a touch of theatrical elegance. Two of the al fresco dining areas feature BBQs, creating a unique 'chef's table' experience.

The main deck aft has two bars for all-day refreshment: one doubling as a sushi bar, the other featuring a pizza oven for poolside dining. By night, the bars on the bridge and main decks transform into DJ stations, providing unforgettable entertainment, while the lower deck cinema, seating 19 guests, offers a blockbuster movie experience.

The spa deck is a true revelation. The fitness centre houses a vast gym with an extensive equipment list that would impress even elite athletes. A ballet bar and mirror are provided for stretches, with yoga areas both inside and out. Guests can indulge in hot and cold plunge pools, unwind in the steam room and sauna, and relax on the balcony with ocean views. Two treatment rooms, along with hair and beauty salons, complete the spa experience.

The beach club is a destination in itself. In addition to an armada of all the latest water toys, there's a bar, a cosy waterside dining area, and multiple lounging areas, allowing guests to easily spend an entire day enjoying the beachfront atmosphere.

The private owner's deck offers a palatial 60sqm (646sqft) stateroom with commanding views, his-and-hers walk-in wardrobes, his-and-hers bathrooms (both with side deck access), a media room and a lounge with a bar and private dining area. The private forward terrace boasts a jacuzzi for six, sun loungers and lounge seating, while the aft deck provides an ideal space for hosting private dinner parties for up to 12 guests.

This matchless charter yacht, the incomparable and aptly named RENAISSANCE, represents a revival of the very best of all charter experiences. Contact Burgess today.
