SEA EAGLE

OVERVIEW.

Sea Eagle soars across the ocean. Her acceleration under sail is pure exhilaration and nothing like any other vessel, so says her experienced and passionate Captain. It takes mere minutes to get underway. One of the largest sailing yachts in the world, Sea Eagle combines the luxury amenities of a motor yacht with the performance of a regatta racer.

Her flush decks and variety of outdoor areas which can be set up for entertaining, workouts or total relaxation cover all bases. Her adaptable five to six cabin layout and incredible space offer flexibility and the utmost comfort. Sea Eagle is a true showstopper on every level. And, with a brand new Windy SLR 60 chase boat joining the programme from 2025, the Sea Eagle experience gets better and better.

Wherever you are on Sea Eagle you'll have a view of the sea. The huge windows fill the expansive interior with natural light and frame the views beyond. Light and airy, the contemporary style is understated, chic and lets the destination do the talking.

From formal dining to casual lounging, the spaces, both inside and out, suit any mood. From a colourful breakfast buffet at the inside/outside bar on the main deck to an intimate dinner on the swim platform, there's variety and versatility at every turn. And, with the option of a gym or massage room on board, indulgent wellness is never far away.

At anchor her vast deck spaces transform into a playground of possibilities. See the sun set with a cocktail on the flybridge as the chef prepares an informal dinner on the BBQ. Watch a movie on a huge screen in the main deck's outdoor cinema or climb into the eagle's nest that rises up the main mast to enjoy thrilling bird's-eye views of your anchorage.

If you want to venture ashore to explore, she has a midships boarding platform that can be used in any conditions. Otherwise access to the water is via the folding swim platform aft, where the crew is ready to help you enjoy a vast range of watertoys, from jetskis to eFoils, SeaBobs to sailing dinghies, scuba diving kit to kayaks and SUPs.

The crew on board work together to ensure that they uphold Sea Eagle's mission statement in everything they do. Their commitment to a set of shared values translates into a seamless service and unparalleled experience on board one of the largest luxury sailing yachts in the world. If your guests are seeking to understand the epic power of nature, appreciate the wonder of the ocean and revel in a seven-star retreat, no other sailing yacht delivers like SEA EAGLE. All this while enjoying a wonderful holiday afloat with a crew that everyone loves. Book your unforgettable charter today.
