SLIPSTREAM

OVERVIEW.

Famous for her show-stopping looks, the stunning, multi-award winning SLIPSTREAM is one of the most stylish charter yachts on the water. Plus, she has everything you need, from a cinema to a waterpark, to give you a seven-star charter.

An eye-catching black hull and silver superstructure offers a hint at this superyacht's striking interior. Rich notes of red, black and ochre work in harmony with the luxury yacht's native Australian and Canadian artwork to create spectacular living and entertainment areas. Linking these decks, a hand-carved trio of totem poles stand guard over the glistening black fossil marble stairwell.

Guests can enjoy the full cinema experience at the touch of a button in the sky lounge as black-out blinds fall and a screen unfurls from its hiding place in an elegant chaise longue. An air conditioned gym is available for the restless, with both exercise machines and a selection of free weights. Also on the bridge deck, a circular al fresco dining area is shielded by sliding glass doors, allowing guests to absorb the views on all sides while remaining sheltered from the breeze.

SLIPSTREAM's vast sun deck was designed with every comfort in mind; giant sun pads sit both forward and aft, a glass windbreak fits around the jacuzzi, and an open-air shower and glass-topped bar complete the experience.

With sumptuous accommodation for 12 guests in up to seven cabins, spread across three decks, guests are spoilt for choice. The rich red and black master suite includes an office, his and her bathrooms, walk-in wardrobe, and a beautiful raised observation lounge that allows direct access to the foredeck. The VIP cabin on the bridge deck has some of the best views on board, with natural light spilling from a sliding glass door leading onto the private balcony. Four stylish double cabins are located on the lower deck, two of which can be converted into twin cabins upon request. The gym also converts to a seventh cabin with two pullman berths and en suite shower room, if required.
