SPIRIT

OVERVIEW.

For an effortless charter that oozes laid-back ocean style, look no further than SPIRIT. Part of the acclaimed Amels Limited Edition range, this proven worldwide explorer boasts exceptional performance and one of the most extensive collections of watertoys in this size range – making her a compelling option for your next charter.

SPIRIT has enjoyed two recent refits, with the most recent completed in 2025. Her award-winning interiors connect guests seamlessly to the surrounding seascape, with sunlight streaming through large picture windows into bright, airy living spaces. Calming hues are lifted with subtle pops of colour, while tactile materials and delicate patterns echo the essence of the ocean.

An array of exterior social spaces is spread across SPIRIT's three decks. On the main deck aft, relaxed seating invites casual gatherings, while the upper deck aft offers dining for up to 10 guests with optional shading. The sun deck, however, is the true heart of life on board – a versatile space for everything from lounging around the jacuzzi to long, leisurely lunches prepared at the Teppanyaki grill.

Inside, SPIRIT's main deck features generous sofas and a formal dining area for up to 10 guests. An additional upper deck lounge includes a sit-up bar and soft seating, and can easily transform into a cinema room, complete with an 85-inch plasma screen TV.

Ideal for families, SPIRIT accommodates up to 12 guests across six well-appointed cabins. The full-beam master suite is particularly generous, featuring an emperor-sized bed, lounge and office area, en suite bathroom, and dressing room. Just aft of the master is a dedicated massage room which can be converted into a double cabin via a discreet Murphy bed. Four further cabins are located on the lower deck, comprising three doubles and one twin.

What truly sets SPIRIT apart is her impressive selection of watertoys. High-energy thrills are covered with jetskis, SeaBobs, and towables, while kayaks, paddleboards, and BBQ beach set-ups cater to a more relaxed pace. Certified divers and keen anglers will also find excellent equipment on board, supported by SPIRIT's 12m chase boat, FREE SPIRIT, which is purpose-built with dive benches, fishing outriggers and chairs to advance every adventure.

However you choose to explore the captivating waters of the Mediterranean and Caribbean, SPIRIT and her highly experienced crew promise an unforgettable charter experience.
