STARBURST III

OVERVIEW.

Delivered in 2017 and refitted in 2019, STARBURST III is a striking and elegant motor yacht built by Bilgin Yachts in Turkey. She features exterior design and naval engineering by Unique Yacht Design and elegant interiors by H2 Yacht Design.

The accommodation is for up to 10 guests. The full beam master suite with a private balcony is situated on the main deck, three double staterooms and one twin cabin on the lower deck.

There are plenty of relaxation areas and two large jacuzzis situated on the sun deck and forward bridge deck. Opening the aft door provides access to approximately 35 square metres of combined indoor and outdoor beach club space.

A unique design feature is the skylight at the bottom of the jacuzzi that allows sunlight to illuminate the tub so that it shines invitingly. The main saloon features an additional electronic sliding door and starboard doors which can transform it into an open lounge.

STARBURST III's impressive leisure and entertainment facilities make her the ideal charter yacht for socialising and entertaining with family and friends.
