# STEALTH

# OVERVIEW.

**Super sleek STEALTH is a superyacht that turns heads. Her fast-planing hull shape will give you exceptional performance for rapid passage up any coast, and when you step on board you find that her comfortable, pleasing interior exudes quiet luxury. STEALTH is an exciting yacht to explore any cruising ground, with the sophistication to hold her own at any quay.**

Refitted in 2021 with fresh soft furnishings throughout, plus a sparkling paint refurbishment, mechanical upgrades and the newest entertainment systems installed, STEALTH is in off-the-shelf condition for your charter. You will find the master suite on the main deck, lined with windows, his-and-her en suites, and walk-in wardrobe. In the morning you can walk through the cool airy salon to join your party for an al fresco breakfast on the aft deck.

When entertaining aboard STEALTH you are spoiled for choice... The salon bar opens out onto the aft deck to get the party started before you sit down at one of the three dining spaces inside and out. If you're in the mood for low-key fun, head up to the sun deck where the jacuzzi sits next to an open-air lounge with TVs on the port and starboard side. When you want something special for an evening a deux, drop-down balconies allow you to dine over the water. Whatever the occasion, you know that the crew and chef will make it a memorable event.

Consult with the captain about your cruising itinerary, as with STEALTH's shallow draft and his local knowledge you will find the secluded bays and islands to visit. Plus, he will know the best spot to anchor and unleash the watertoys, then you are in for a treat! Children of all ages can enjoy a jet ski safari, or an exploration below the waves on the SeaBobs.

At the end of the day, slip away to the intimate foredeck chaise to enjoy the sunset and take a moment to savour the experience of sailing aboard STEALTH – and congratulate yourself on an excellent charter choice.
