TWILIGHT

OVERVIEW.

For effortlessly cruising and relaxed living, the catamaran TWILIGHT offers the freedom to enjoy life on the water in complete comfort. This ultramodern catamaran combines unrivalled living space with reliable performance. With her generous beam, TWILIGHT offers immense al fresco relaxation areas and vast interiors

Each deck is created with togetherness in mind. Sun-soaked lounges and a flybridge jacuzzi invite long, leisurely days outdoors, while elegant dining spaces set the scene for memorable meals of Michelin-starred calibre. Closer to the sea, the beach club becomes a private waterfront retreat, with fold-down balconies offering seamless sea access and endless days spent by the water.

Inside, TWILIGHT's open-plan living spaces are light, modern and welcoming, with the relaxed atmosphere of a luxurious beach club. Natural woods, soft earth tones and expansive windows create a calming setting, filling the interiors with light and keeping the ocean always in view.

TWILIGHT accommodates 10 guests in five cabins, including a main deck owner's suite with private access to the bow terrace. The remaining accommodation is on the lower deck and comprises four double cabins.

Whether cruising the calm waters of the South of France or anchored in a secluded bay, TWILIGHT delivers the sense of calm and connection to the ocean that defines the yachting experience. Elegant yet relaxed, she is created for those who believe the journey should feel every bit as extraordinary as the destination.
