VIRGINIAN

OVERVIEW.

VIRGINIAN, a 62.3m yacht boasting sleek styling and tasteful modern classic interiors, is designed to make discerning guests feel truly special.

Following refit and refurbishment in 2017/2018 her Alain Raynaud-designed interiors have been fully updated to incorporate contemporary decor and beautiful, plush living spaces. Up to 12 guests can enjoy an al fresco breakfast on the upper deck aft, accompanied by a cool smoothie from the fully equipped bar. Relaxation options include the sun deck jacuzzi and lounge area with sun pads, perfect for unwinding before enjoying a fabulous range of the watertoys.

After working out in the well-equipped gym, guests can freshen up before meeting for drinks in the upper deck bar. The forward-facing observation lounge provides a comfortable and beautifully decorated space to share stories from the day, before heading to the formal dining room for a delicious supper. After dinner, coffee can be taken in the library, home to one of the yacht's two cosy fireplaces.

The inclusion of a twin cabin as part of the main deck master suite makes her the perfect superyacht for guests with young children. Two double cabins and two twin cabins on the lower deck seal the deal: VIRGINIAN is the yacht of choice for families and friends.
