WANDERLUST

OVERVIEW.

A new secret weapon has been launched onto the charter market - the 85.3m WANDERLUST. The philosophy behind this extraordinary sports activity vessel (SAV) is the innovative balance of performance, luxury and efficiency.

WANDERLUST is a superb platform for scuba diving and snorkelling, tailor-made for avid lovers of the underwater world, so expect to find her cruising world-class dive locations like the Indian Ocean and South Pacific. Guests are guaranteed to enjoy bountiful, healthy reefs, abundant marine life and bucket-list pelagics.

In performance terms, her hydrodynamic efficiency and state-of-the-art propulsion system means she cruises easily at 17 knots and tops out at 23 knots. This expands your cruising range and dive-site options considerably while keeping fuel bills and emission down. Her zero speed stabilisers mean everyone on board enjoys a steady horizon.

One of the most remarkable features of this yacht and its widest space is The Loft, a winter garden with floor-to-ceiling privacy glass that slides away to reveal a stunning open-air shaded terrace. Located just aft of the high-ceiling sky lounge, guests can enjoy sports, movie nights, and highlights of the day's filmed adventures on a vast screen, while the ceiling itself doubles as a spectacular display - like those in The Loft and the heli-hangar capable of showing any image or video. You can even bring the Northern Lights inside should you wish.

Another signature is the 400sqm (4,300sqft) aft deck - the space is over 30m (100ft) long. This is where two of the yacht's three tenders, a 7m (23ft) beachlander and an 8.3m (27.2ft) Explorer, are stowed. The third is a Windy SR52 chase tender capable of 45 knots.

The sides of the aft deck fold down to open up the views completely and create even more versatile space for entertainment, relaxation and games like basketball, table tennis or a golf driving range with fish-food balls.

Built to deliver the holiday of a lifetime for up to 12 guests in eight suites, she has everything an amazing charter yacht needs. The sun deck has a glass-fronted jacuzzi and an intimate, sheltered open-air dining space aft.

The upper deck offers more outdoor dining with a bar and BBQ for that chef's table experience and a huge sun lounge aft. On the main deck there's an outdoor cinema in the hangar, one of three on board, which is also fitted with sound, media and light systems for disco nights.

Her crew is dedicated to making every day on board amazing, with a particular flair for beach set-ups and watersports days. Zero speed stabilisers for comfort, a packed toy locker with a host of tow toys, and you have an unbeatable package.

Be one of the first to experience this game-changing superyacht for charter with Burgess. Enquire now.
